10. New Business  
Questions for discussion (from licensee Paul Moore):  
“Does the Board have plans to establish an advisory opinion page on its website as other state boards have done to address questions regarding the practice of geoscience in Louisiana? Also, is it the Board's opinion that Phase II Environmental Site Assessments performed by an individual or company for another within the State of Louisiana constitutes practicing geoscience within Louisiana, and that the Phase II Environmental Site Assessment report is to be signed and sealed by a Louisiana licensed geoscientist?”
11. Next regular meeting date, time, and location (December 12, 2017, at 1 pm, Conference Room, 9643 Brookline Avenue, Baton Rouge, Louisiana)
12. Adjourn
